- express opinions constructively and openly, raise issues that relate to the Committee's responsibilities and pursue independent lines of enquiry
- provide advice that takes into account the NHFB's strategy and key risks
- contribute the time required to meet their responsibilities.

Committee Members must not use, or disclose, information obtained by the Committee except in meeting the Committee's responsibilities, or unless expressly agreed by the NHFB CEO.

- request the attendance of any official, including the NHFB CEO, at Committee meetings
- obtain external legal or other professional advice, as considered necessary to fulfil its role, at the NHFB's expense, subject to approval by the NHFB CEO, or delegate (with such approval not to be unreasonably withheld).

Membership

The Committee comprises of up to four independent Members, including the Chair, and all appointments are made by the NHFB CEO.

Committee Members, taken collectively, will have a broad range of skills and experience relevant to the operations of the NHFB, including the functions of the Administrator of the National Health Funding Pool (the Administrator). At least one Member of the Committee will have accounting or related financial management experience, with an understanding of accounting and auditing standards in a public sector environment.

Committee Members will be appointed for an initial period determined by the NHFB CEO. The Chair of the Committee will be appointed for a minimum of at least three years, with an option to extend. Members will normally be appointed for a specified period not exceeding three years after which they may be eligible for extension or re-appointment, following a formal review of their performance and subject to the complementary skills and experience of the other Members.

ADMINISTRATIVE ARRANGEMENTS

Meetings

The Committee will meet at least four times per year. One or more special meetings may be held at the request of the Chair of the Committee to review the NHFB's and Administrator's annual financial statements and performance statements or to meet other specific responsibilities of the Committee.

The Chair of the Committee is required to call a meeting if asked to do so by the NHFB CEO and decide if a meeting is required if requested by another Member or the ANAO.

Planning

The Committee will develop an Annual Work Plan that includes the dates, location, and proposed agenda items for each meeting for the forthcoming year, and that covers all the functions and responsibilities outlined in this Charter.

Attendance at meetings and quorum

A quorum will consist of the majority of Committee Members. The quorum must be in place at all times during the meeting. If circumstances prevent the Chair of the Committee from attending a meeting, the Chair may nominate another Member to perform the role of Chair of the Committee.

In addition to the independent members of the Committee there will be regular attendance by the CEO, Deputy CEO, CFO and Secretariat of the Committee, or their nominee, together with the Administrator.

Secretariat

The NHFB CEO, in consultation with the Chair of the Committee, will provide adequate resources to provide secretariat support to the Committee.

The Secretariat will ensure:

- the agenda for each meeting is approved by the CEO
- the agenda and supporting papers are circulated at least one week prior to the scheduled meeting

Minutes must be circulated and reviewed by all Members and Observers of the Committee and, within ten working days of the meeting.

Conflicts of Interest

Once each year, Members of the Committee will provide written declarations, to the NHFB CEO declaring any actual or perceived conflicts of interests they may have in relation to their responsibilities. At the beginning of each Committee meeting, Members are required to declare any actual or perceived conflict of interests that may apply to specific matters on the meeting agenda. Where required by the Chair of the Committee, a Member with an actual or perceived conflict of interest will be excused from the meeting or from the Committee's consideration of the relevant agenda item(s). The Chair of the Committee is also responsible for deciding, in consultation with the NHFB CEO where appropriate, if he/she should excuse themselves from the meeting or from the Committee's consideration of the relevant agenda item(s). Details of any actual or perceived conflicts of interests declared by the Chair of the Committee and other Members, and actions taken, will be appropriately recorded in the minutes.

Induction

New Members will receive relevant information and briefings on their appointment to assist them to meet their Committee responsibilities.

Review of Performance

The Chair of the Committee, in consultation with the NHFB CEO, will undertake a review of the performance of the Committee at least once each year. The review will be conducted on a self-assessment basis. The outcomes of this assessment will be reported to the NHFB CEO.

A second survey will be coordinated by the NHFB Secretariat and include input from the CEO, Deputy CEO, Administrator of the National Health Funding Pool, NHFB Executive and ANAO. The survey will be based on [Section 3.7 of the Guide for non-corporate Commonwealth entities on the role of audit committees - Reviewing and assessing committee performance](#).

The Chair of the Committee will provide advice to the NHFB CEO on an external Member's performance where an extension of the Member's tenure is being considered.

Review of Charter

At least once a year the Committee will review this Charter. Any substantive changes to the Charter will be recommended by the Committee and formally approved by the NHFB CEO.
