¹ Under the *National Health Reform Agreement*, states and territories are required to provide the Administrator with a copy of the annual Service Agreement they enter into with each of their LHNs, once agreed. The values shown above indicate the number of 2014-15 Service Agreements that have been provided to the Administrator as a proportion of the total number of LHNs. The LHN directory can be viewed at www.publichospitalfunding.gov.au/directory.

² Includes Multi Purpose Services where in place of an individual Service Agreement, detail on deliverables is outlined in the Victorian *Department of Health Policy and Funding Guidelines*, which is published on the Department of Health's website.
