The values shown above indicate the number of 2015-16 Service Agreements that have been provided to the Administrator as a proportion of the total number of LHNs as at the Data Compliance Report issue date. The LHN directory can be viewed at www.publichospitalfunding.gov.au/directory.

² Includes Multi Purpose Services where in place of an individual Service Agreement, detail on deliverables is outlined in the Victorian Department of Health and Human Services Policy and Funding Guidelines, which is published on the Department's website. The Service Agreement count also includes Contracted Service LHN.
